Dear Professor Ing.Milan Pospisil,

In light of the excellent relations that exist between Lebanon and the Czech Republic and the latter's continued support and solidarity with Lebanon especially during difficult times, I am writing regarding a humanitarian matter related to the Lebanese students studying at Czech Universities . Lebanon has been undergoing a deep economic crisis which has been aggravated by the devastating explosion which took place at Beirut port on August 4th, 2020, leaving Lebanese students studying abroad facing dire financial hardships.

In this respect, it would be highly appreciated if the esteemed University Council would consider granting Lebanese students studying at Czech Universities scholarships , exempt them from part of their tuition fees and delay their term of payment in order to enable them to pursue their higher education and provide them with an opportunity to ensure a better future.

Finally, I avail myself of this opportunity to thank you for your cooperation and renew to the University Council the assurances of my highest consideration.

Ambassador
